

C O N F I D E N T I A L23rd June, 1960.COCOM Document No. 4041BCOORDINATING COMMITTEEMEMORANDUM BY THE FRENCH DELEGATIONEXPORT OF ELECTROLYTIC CAPACITORS TO POLAND

The French Delegation wish to inform the Committee that they have received an application to license the export to Poland of 3,650 fixed tantalum electrolytic capacitors, valued at \$ 6,887. These capacitors, which are covered by Item 1562 on the International Lists, have the following characteristics:

1000 capacitors	T	350	25	uF + 50	-20%	12V	at \$	1.55
250 "	T	1000	80	uF + 50	-20%	12V	" "	2.10
300 "	T	3500	250	uF + 50	-20%	12V	" "	2.94

are intended for the Warsaw television studios.

450 capacitors	TE	350	4	uF + 50	-20%	75V	at \$	1.55
150 "	TE	350	10	uF + 50	-20%	35V	" "	1.55
1200 "	TE	1000	12	uF + 50	-20%	75V	" "	2
300 Condensers	TE	1000	65	uF + 50	-20%	15V	" "	2

are intended for the Lodz radio factories for the manufacture of portable radio-telephones used by the forest firefighting services.

The usual guarantees against re-export have been provided.

In submitting this case to the Committee, the French Delegation would be glad to hear views within the shortest possible time, in accordance with the special procedure governing exports to Poland.
